

African Milling School

Milling for Executives

Success in milling!

Grain such as wheat and maize is a valuable raw material and special care has to be taken in the transformation into flour. The course Milling for Executives gives an insight into the process from wheat and maize to flour and highlights the key factors for success.

The course will be held at the African Milling School, where we have appropriate infrastructure with classrooms, full equipped laboratory and school mill.

We teach useful theoretical and practical skills which will empower you to make the best out of raw materials and plant.

Benefits:

- Understanding the milling process from grain to flour
- Understand key parameters for success in milling
- Facilitate communication with staff

Course features:

- Professional training by Buhler experts
- Course materials
- Certificate of attendance

Target group

This course is suitable for;

- General Managers
- Mill Owners/CEOs
- Grain Traders
- NGO/Government Representatives

Pricing

The course costs USD 1,000 + 16% VAT per person. This cost excludes boarding, travel and other related expenses.

The price includes 5 days training at the African Milling School, training materials and lunch, two tea breaks.
