APM = Apprentice Miller Program

NB:

We reserve the rights to alter dates for organizational purposes.

Please note the course fees excludes boarding & lodging, travelling expenses and personal insurance

All course fee is payable in advance 100% against invoice and is a prerequisite to admission.

The prices are based on a specific exchange rate of 1 USD = KES 120, and we reserve the right to adjust when the exchange rate changes.

Course fees are payable immediately after registration. Early bird discount of 20% applies based on Terms & Conditions. Whereby “early bird” means up to two months before start of training.

Regarding withdrawal from the registration, refer to the terms & conditions.
